**CHARTER PETITION
Appendix 10**

Prepared in compliance with the terms, conditions, and requirements of
The Charter Schools Act, Education Code Section 47600, *et seq.*, and related
statutes

XI. Appendix -- After School Program

YES Charter Academy will have a fee based after school program. Available hours are Monday through Friday from school release to 5:00. This service is separate from the educational services of the school and is not a part of the school’s educational calendar, although it follows the same days of service as the school.

During After School Care students will be supervised while they have help with their homework, play outside recreational games, eat snack, and participate in other planned activities. Throughout the school year more activities or clubs (martial arts, music, dance, etc) may become available, which may or may not require additional fees. These activities, if offered, will be optional for participants.

Students may participate in After School Care with parent permission on any or all of the available days for a minimum of one (1) hour up to the number of hours available for that day. Payment for participation is due by Friday of each week of participation, unless prior arrangements are made with the office. Please make sure to pick up your child no later than 5:00. There may be a charge of up to \$15.00 for late arrival to pick up your child.

Students will only be released to a parent/guardian or, with parent/guardian permission, to an emergency contact listed on the student registration form. Names may be added to or removed from the registration form at any time by the student’s legal parent/guardian. The person picking up the student must sign the student out before leaving with the student.

I have read and understand the guidelines for the After School Care Program at Yuba Environmental Science Charter Academy.
