## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2016-17 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)

ELA	25	51	19	30	48	48
Math	14	41	6	12	36	37

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2015-16 CAASPP Results by Student Group Science (grades 5, 8, and 10)				
Group	Number of Students		Percent of Students	
	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced
All Students	19	16	84.2	43.8
Socioeconomically Disadvantaged	14	12	85.7	25.0

\* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

	14-15	15-16	14-15	15-16	14-15	15-16
Science	69	44	14	27	56	54

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement (School Year 2017-18)

Parents have collaborated in the crafting of this educational vision and plan, and will play a key role in the interviewing and hiring of teaching staff. Parents will collaborate with the teachers in the creation of the academic and other school-wide goals. ParentSquare to track volunteer hours and reach parents digitally.

Parents of YES CHARTER ACADEMY students will pledge a fixed number of hours per year to YES CHARTER ACADEMY activities (with accommodations made for low income or otherwise challenged families). In addition, frequent two-way communication between teachers, school administration, and home will be a hallmark of YES CHARTER ACADEMY. Parents will be a crucial element in the success of YES CHARTER ACADEMY's field experience plan. In order to work safely in the foothill environment, for example, an ample number of adults must be present. Ventures into the workplaces of adults, and into cities and towns to take advantage of cultural and other resources, would not be possible without the active planning and participation by parents. Family education nights, a YES CHARTER ACADEMY newsletter, carpooling, and extramural and sports activities will require active family support.

YES CHARTER ACADEMY will encourage families to give of their time to promote the success of YES CHARTER ACADEMY and its programs. YES CHARTER ACADEMY will work with parents to develop parent involvement policies and strategies.

Parent involvement includes the following:

- Participation in the development of the Individual Learning Plans
- Participation with homework and support of weekly learning assignments
- Attendance at Parent Association meetings
- Attendance for progress report meetings with the teacher
- Service to YES CHARTER ACADEMY: This can include serving on the Council of Directors or Standing Committees, providing physical labor, providing professional or paraprofessional services, staffing field trips, or any other ways as outlined in the Parent and Student Handbook, which anticipates a per-parent time commitment of twelve hours per year.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

YES CHARTER ACADEMY has adopted and implemented a comprehensive set of health, safety, and risk management policies. These policies were developed in consultation with YES CHARTER ACADEMY's insurance carriers, and the County Office of Education, and at a minimum address the following (a full set of the health and safety policies and procedures are on file at the Charter School).

This Plan includes, but is not limited to, the following responses: fire, earthquake, threats, and biological or chemical release . This Plan includes an evacuation plan, Lock down, general school safety, injury and illness prevention.
