Teacher and staff members will be asked for input on many decisions and some decisions shall be made jointly by the staff and administration through planning periods within the school year and weekly staff meetings as well as individual consultation with the administrator as needed.

The Administrator is responsible for determining schedules, graduations, staff meetings, and coordinating other activities with teachers and other staff members. The administrator reserves final right of denial or acceptance for any and all activities related to the school. The administrator shall supervise teacher assignments and make regular decisions regarding the daily operation of the Charter School.

Decisions such as resolutions, the payment of items in excess of $450, disciplinary actions, expulsions, release of employees, contracting with service providers, and more shall be the responsibility of the Council of Directors to be decided in regular or special board meetings by majority vote after a quorum is established.

3. Parental Involvement:

All parents are asked to volunteer for the school for a minimum commitment of 6 hours per parent per semester. This volunteer commitment can be fulfilled via volunteering to assist in the classroom or at recess (fingerprint clearance required), assisting teachers outside of the school campus through preparing items needed for projects, grading papers, organizing school events/fundraisers, calling for donations or special speakers, office assistance, campus maintenance, and more.

Parents are always welcome to schedule conferences with their teachers. Parents will be invited to a minimum of one conference at the end of each grading period or trimester. During the first conference parents will participate in establishing individual learning plans (ILP) for their students.

Newsletters will go home regularly to keep parents aware of activities at school. These newsletters may be from the classroom of from the school. Parents may assist in publishing these newsletters.

Parents are welcome to enter the campus as guests to observe their children in the classroom for a limited amount of time. They must follow visitor procedures including signing in at the office and wearing a visitor badge.

Parents are encouraged to assist their children in the completion of homework and extra work assigned toward ILP goals. If they need assistance they are welcome to call the school to discuss ways to support their children in learning at home and at school.

B. Dress and Appearance Policy

The Yuba Environmental Science Charter Academy faculty and administration are dedicated to offering a wholesome education – inclusive of the learning environment in which the children attend school. Students are to give proper attention to personal cleanliness and to wear clothes that are suitable for the school activities in which they participate. Students’ clothing must not present a health or safety hazard or a distraction which would interfere with the education process. The major responsibility for dress and grooming is placed upon the student and the student’s parents. The administration reserves the right to decide the appropriateness of the student’s attire. Inappropriately dressed students will be expected to change clothing. The following guidelines are intended to define appropriate student attire and personal grooming and shall apply to all regular school activities. We intend to provide our students with a school environment that is clean, positive, and uplifting.

We ask your support in helping the Yuba Environmental Science Charter Academy form a healthy school-time setting by guiding your children towards appropriate school attire. Your support is most needed and appreciated in the following four areas.

1. Ensure a safe environment for our children

   o Students should dress for the weather and/or come dressed anticipating the weather.
   o Students should wear comfortable, practical, flat-soled and closed-toe shoes that are firmly attached to the feet and without flashing lights or wheels. Check schedules for SPORTS AND GAMES classes. These classes require flexible, firm-fitting running shoes worn with socks. Footwear must be worn at all times.
Students should only wear jewelry that does not dangle and jewelry that does not distract the wearer or others.

2. Create an environment focused on learning

Clothing should not be a distraction. To support student learning and to build community all students and YES CHARTER ACADEMY staff are required to adhere to a dress code while on the YES CHARTER ACADEMY campus as follows:

- Boys shall wear any color of pants including blue jeans and shorts. Shirts shall be solid color or striped (with a collar - or T-shirt). A “YES CHARTER ACADEMY T-shirt” is fine. Sport clothing to be worn during physical education will follow the same color and fashion outlined here.

- Girls shall wear any colored pants, dress, and skirt including blue jeans and shorts. Shirts shall be solid color or striped (with a collar - or T-shirt). Jewelry and hair ornaments should not interfere with learning or writing. A “YES CHARTER ACADEMY T-shirt” is fine. No accessories with spikes may be worn. Words on clothing should be limited to the manufacturer’s names in small print.

D. Drug and Alcohol Policy

YES Charter Academy is committed to providing a drug- and alcohol-free workplace; and to promoting safety in the workplace, employee health and well-being, and a work environment that is conducive to attaining high work standards. The use of drugs and alcohol by employees off the job jeopardizes these goals, since it adversely affects health and safety, security, productivity, and public confidence and trust. Drug or alcohol use in the workplace is extremely harmful to workers.

Accordingly, and consistent with this commitment, YES Charter Academy has developed a drug and alcohol policy that applies to all employees.

Bringing to the workplace, possessing or using, or being under the influence of intoxicating beverages or drugs on any of YES Charter Academy's premises or at any school-sanctioned activity or function is prohibited and will result in disciplinary action up to and including termination.

YES Charter Academy reserves the right to use appropriate means to provide a safe work environment for its employees. These means may consist of but are not limited to:

- Post-offer, pre-employment drug/alcohol testing;
- Referral to local authorities;
- Referral to employee assistance program;
- Full investigation of accident causes, which includes drug and alcohol testing;
- “For cause” drug testing (reasonable suspicion testing);
- Search of Charter School property;
- Search of employee property, including employee handbags and vehicles, brought onto School property, only in accordance with search policies approved by the Point Dume Marine Science Charter Board.

Refusal to submit to a “for cause” drug test or a drug test in connection with an on-the-job injury or accident is cause for immediate termination.
