THE AGENDA

Last Meeting Follow-up

1. Here is the link to the previous meeting's notes [October Meeting Notes](#)
2. Tech Training for families We all agree we need more of this, maybe video tutorials by Brannon, more personal and specific. Could also offer weekly zoom trainings for families. Pick a different subject each week. Survey parents about what they are confused about.
3. Elevate paraeducators- can they be paid to join the Friday meetings? Are the paraeducators reporting to the principal? Did paraeducators receive Nurtured Heart and Trauma informed training. Paraeducators received several trainings at the beginning of the year. Mr. C already comes to the Friday meetings. Norbert would like to have Ms. K come. Eve thinks Pamela would benefit from coming. We are not sure about Doris or Seraphim.
4. What training will paraeducators be getting moving forward
5. We need to learn about meeting protocol. Specifics needed here

6. Need actual training in Renaissance Team agreed this is important - request PD funding from the board and set up for a Friday training (including paras).
