About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parents have collaborated in the crafting of this educational vision and plan, and will play a key role in the interviewing and hiring of teaching staff. Parents will collaborate with the teachers in the creation of the academic and other school-wide goals we use. ParentSquare is used to track volunteer hours and reach parents digitally.

Parents of YES CHARTER ACADEMY students will pledge a fixed number of hours per year to YES CHARTER ACADEMY activities (with accommodations made for low income or otherwise challenged families). In addition, frequent two-way communication between teachers, school administration, and home will be a hallmark of YES CHARTER ACADEMY. Parents will be a crucial element in the success of YES CHARTER Academy's field experience plan. In order to work safely in the foothill environment, for example, an ample number of adults must be present. Ventures into the workplaces of adults, and into cities and towns to take advantage of cultural and other resources, would not be possible without the active planning and participation by parents. Family education nights, a YES CHARTER ACADEMY newsletter, Harvest Festival, Environmental Science Fair, Earth Day and other activities will require active family support.

YES CHARTER ACADEMY will encourage families to give of their time to promote the success of YES CHARTER ACADEMY and its programs. YES CHARTER ACADEMY will work with parents to develop parent involvement policies and strategies.

Parent involvement includes the following:

- o Participation in the development of the Individual Learning Plans
- o Participation with homework and support of weekly learning assignments
- o Attendance for progress report meetings with the teacher
- o Service to YES CHARTER ACADEMY: This can include serving on the Council of Directors or Standing Committees, providing physical labor, providing professional or paraprofessional services, staffing field trips, or any other ways as outlined in the Parent and Student Handbook, which anticipates a parent time commitment of twelve hours per year.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

YES CHARTER ACADEMY has adopted and implemented a comprehensive set of health, safety, and risk management policies. These policies were developed in consultation with YES CHARTER ACADEMY’s insurance carriers, and the County Office of Education, and at a minimum address the following (a full set of the health and safety policies and procedures are on file at the Charter School).

This Plan includes, but is not limited to, the following responses: monthly fire drills, earthquake, threats, and biological or chemical release . This Plan includes an evacuation plan, Lock down,general school safety, injury and illness prevention. We also implement spontaneous drills for students and staff.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.8	5.5	7.0	8.0	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0		
Expulsions	0		

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.
