

YES CHARTER FALL NEWS

Harvest Fest Brings Together Community

Get ready for one of the most exciting events of the year—our Harvest Festival! This fun-filled evening brings our school community together for games, chili cookoff, silent auction, and raffle baskets, all while supporting a great cause.

The Harvest Festival is our biggest fundraiser of the year, helping support classrooms and the 5th grade trip to Shady Creek. Come enjoy carnival-style games, join friends for a night of family fun, and don't miss the Chili Cook-Off where you can taste, vote, or even compete for the title of "Best Chili in Town!"

Bring your family, invite your neighbors, and be part of what makes our school community so special. We can't wait to see you there!

Best Regards, Louise Miller, Principal

Book Fair

The Scholastic Book Fair is back on campus soon! Stop by Mon. Nov. 3 through Nov. 12 after school until 5:30 p.m. and during the evening of the Harvest Festival.

Many thanks go to Fourth Grade teacher Ms. Campbell for her work in organizing the Book Fair. Having a background in library science, her passion for putting books in the hands of students is unparalleled.

Awards Ceremony

YES CHARTER FALL NEWS

Setting Goals and Making Progress

Students in TK through 10th grade have been setting goals since the start of the school year. Now, with middle and high school into their second quarter and elementary students beginning a second trimester, YES Charter scholars will get to see the measure of their hard work paying off.

Progress is not always linear and students are learning that improvement comes in many forms. Students are working on individual projects to show what they know and taking the second IXL Benchmark. We look forward to seeing their success!

Attendance Matters!

Every day counts! When students attend school regularly, they build strong learning habits, stay connected with friends, and keep up with class progress. Even missing just a few days a month can add up and make it harder to catch up later. Good attendance helps students feel confident, engaged, and ready to learn—setting them up for success now and in the future. Let's work together to make sure every student is here, on time, every day!
