**INSTRUCTIONS FOR PRESENTATIONS TO  
THE COUNCIL BY PARENTS AND CITIZENS**

The Yuba Environmental Science Charter Academy (“YES Charter Academy”) welcomes your participation at the School’s Council meetings. The purpose of a public meeting of the Council of Directors (“Council”) is to conduct the affairs of the School in public. We are pleased that you are in attendance and hope that you will visit these meetings often. Your participation assures us of continuing community interest in our School. To assist you in the ease of speaking/participating in our meetings, the following guidelines are provided:

1. Agendas are available to all audience members at the door to the meeting.
2. Blue “Request to Speak” forms are available to all audience members who wish to speak on any agenda items or under the general category of “Oral Communications.”
3. “Oral Communications” is set aside for members of the audience to raise issues that are not specifically on the agenda. However, due to public meeting laws, the Council can only listen to your issue, not respond or take action. These presentations are limited to three (3) minutes and total time allotted to non-agenda items will not exceed fifteen (15) minutes. The Council may give direction to staff to respond to your concern or you may be offered the option of returning with a citizen-requested item.
4. With regard to items that are on the agenda, you may specify that agenda item on your blue request form and you will be given an opportunity to speak for up to five (5) minutes when the Council discusses that item. In accordance with Title VI of the Civil Rights Act of 1964 and related statutes, this body is committed to ensuring meaningful access to all its programs and activities for people with Limited English Proficiency (LEP). If a member of the public requires a language or any other type of interpreter to provide public comment, they will be allotted twice the standard time to account for the need for interpretation.
5. When addressing the Council, speakers are not required to state their name and/or other self identifying information.
6. Citizens may request that a topic related to school business be placed on a future agenda in accordance with the guidelines in the School’s Council BP. Once such an item is properly agendized and publicly noticed, the Council can respond, interact, and act upon the item.
7. Requests for disability-related modifications or accommodations to participate in this public meeting should be made 24 hours prior to the meeting by calling 530-692-2210 or [lmiller@yescharteracademy.org](mailto:lmiller@yescharteracademy.org). All efforts will be made for reasonable accommodations. The agenda and public documents can be modified upon request as required by Section 202 of the Americans with Disabilities Act.

### Excused Absences

CSBA NOTE: Items #1-18 below reflect absences that are authorized by law to be considered as excused absences for purposes of enforcing compulsory state attendance laws. Pursuant to Education Code 48205, absences specified in Items #1-14 and #18, although excused for purposes of enforcing compulsory state attendance laws, are considered absences in computing average daily attendance and do not generate state apportionment payments.

Subject to any applicable limitation, condition, or other requirement specified in law, a student's absence shall be excused for any of the following ~~reasons~~purposes:

1. Personal illness, including absence for the benefit of the student's mental or behavioral health (Education Code 48205)

6. Illness or medical appointment of a child to whom the student is the custodial parent (Education Code 48205)
7. Upon advance written request by the parent/guardian and the approval of the principal or designee, justifiable personal reasons including, but not limited to: (Education Code 48205)

CSBA NOTE: Education Code 48205, as amended by AB 1884 (Ch. 919, Statutes of 2024), removes the requirement that the deployment of an immediate family member be to a combat zone or combat support position. This allows for an excused absence when a student spends time with any deployed immediate family member who is an active duty member of the uniformed service.

9. To spend time with an immediate family member who is an active duty member of the uniformed services, as defined in Education Code 49701, and has been called to duty for deployment ~~to a combat zone or a combat support position~~ or is on leave from or has immediately returned from such deployment (Education Code 48205)

~~CSBA NOTE: Pursuant to Education Code 48205, as amended by SB 350, a student's absence is required to be excused for up to three days when the absence is for the purpose of accessing victim or grief support services or for participating in safety planning as it relates to the death of a student's immediate family member, or of another person in close association with the student, as specified in Item #13 below.~~

Such absence shall be excused for not more than three days for each incident.  
(Education Code 48205)

CSBA NOTE: Education Code 48205, as amended by SB 1138 (Ch. 925, Statutes of 2024), requires a student to be excused from school when the absence is due to a student's participation in military entrance processing.

14. For a student's participation in military entrance processing

CSBA NOTE: Pursuant to Education Code 46014, with the written consent of the student's parent/guardian, districts may excuse a student from school in order to participate in religious exercises or instruction.

In order for the district to receive average daily attendance funding for such absences, the Board is required to first adopt a resolution permitting an excused absence for this purpose and regulations governing students' attendance at religious exercises or instruction and the reporting of such absences. These regulations should include all of the information from Item #15 below and may be expanded to reflect district practice.

Additionally, the student is required to attend school for at least the minimum school day and not be absent for this purpose on more than four days per school month. Pursuant to Education Code 46112, 46113, 46117, and 46141, unless otherwise provided by law, the minimum school day is generally 180 minutes for kindergarten, 230 minutes for grades 1-3, and 240 minutes for grades 4-12. For further information, see AR 6112 - School Day.

15. Participation in religious exercises or to receive moral and religious instruction at the student's place of worship or other suitable place away from school property as designated by the religious group, church, or denomination (Education Code 46014)

Absence for student participation in religious exercises or instruction shall not be considered an absence for the purpose of computing average daily attendance if the student attends at least the minimum school day as specified in Administrative Regulation 6112 - School Day, and is not excused from school for this purpose on more than four days each school month.  
(Education Code 46014)

16. For a student who holds a work permit authorizing work in the entertainment or allied industries for a period of not more than five consecutive days, work in such industry (Education Code 48225.5)

For this purpose, student absence shall be excused for a maximum of up to five absences each school year. (Education Code 48225.5)"

17. Participation with a nonprofit performing arts organization in a performance for a public school audience (Education Code 48225.5)

A student may be excused for up to five such absences each school year provided that the student's parent/guardian provides a written explanation of such absence to the school. (Education Code 48225.5)

18. Other reasons authorized at the discretion of the principal or designee based on the student's specific circumstances (Education Code 48205, 48260)

For the purpose of the absences described above, immediate family means the student's parent/guardian, sibling, grandparent, or any other relative living in the student's household. (Education Code 48205)

## Method of Verification

CSBA NOTE: Education Code 48205 prohibits the district from requiring a physician's note for absences due to the illness or medical appointment of the student's child. However, the district is authorized to require verification of other absences. The following section should be revised to reflect district-adopted methods of verification and to specify employee(s) assigned to verify absences.

5 CCR 420-421 provide guidelines for verifying absences due to illness; quarantine; medical, dental, or eye appointments; or attendance at a funeral service of a member of a student's immediate family. 5 CCR 421 authorizes a student's absence to be verified by a school or public health nurse, attendance supervisor, physician, principal, teacher, or any other qualified district employee assigned to make such verification.

Student absence to care for a child for whom the student is the custodial parent shall not require a physician's note. (Education Code 48205)

For other absences, the student shall, upon returning to school following the absence, present a satisfactory explanation, either in person or by written note, verifying the reason for the absence. Absences shall be verified by the student's parent/guardian, other person having charge or control of the student, or the student if age 18 or older. (Education Code 46012; 5 CCR 306)

When an absence is planned, the principal or designee shall be notified prior to the date of the absence when possible.

The Any of the following methods may be used to verify student absences:

1. Written, digital, or audio message from parent/guardian or parent representative

2. Conversation, in person or by telephone, between the verifying employee and the student's parent/guardian or parent representative

The employee shall subsequently record the following:

- a. Name of student
  - b. Name of parent/guardian or parent representative
  - c. Name of verifying employee
  - d. Date(s) of absence
  - e. Reason for absence
3. Visit to the student's home by the verifying employee, or any other reasonable method which establishes the fact that the student was absent for the reasons stated

The employee shall document the verification and include the information specified in Item #2 above.

4. Physician's verification

CSBA NOTE: The following optional paragraph provides a means of verifying an excuse for confidential medical services without inquiring into the nature of the medical services.

- a. When excusing students for confidential medical services or verifying such appointments, district staff shall not ask the purpose of such appointments but may request a note from the medical office to confirm the time of the appointment

CSBA NOTE: The following optional paragraph provides that, after absences for illness on multiple occasions, the student may be required to bring a note from a physician to verify the illness. If a student does not have access to medical services in order to obtain such verification, the district may assist the student in obtaining the medical consultation if it is required.

- b. If a student shows a pattern of chronic absenteeism due to illness, district staff may require physician verification of any further student absences

## Parent/Guardian and Student Notifications

At the beginning of each school year, the Superintendent or designee shall:

CSBA NOTE: The requirement in Item #1 below is for use by any district whose board has adopted a resolution permitting an excused absence for religious instruction or exercises. See the accompanying Board policy and ~~Item #14 in the section~~ [Item #15 in](#) "Excused Absences" above.

1. Notify parents/guardians of the right to excuse a student from school in order to participate in religious exercises or to receive moral and religious instruction at their places of worship, or at other suitable places away from school property designated by a religious group, church, or denomination (Education Code 46014, 48980)

CSBA NOTE: The requirement in Item #2 applies to all districts. Districts that maintain only elementary grades should delete the reference to students in grades 7-12.

2. Notify students in grades 7-12 and the parents/guardians of all students enrolled in the district that school authorities may excuse any student from school to obtain confidential medical services without the consent of the student's parent/guardian (Education Code 46010.1)
3. Notify parents/guardians that a student shall not have a grade reduced or lose academic credit for any excused absence if missed assignments and tests that can reasonably be provided are satisfactorily completed within a reasonable period of time (Education Code 48980)

Such notice shall include the full text of Education Code 48205. (Education Code 48980)

# Attendance Recovery

“How it benefits the entire school”

1. Education everyone on Attendance Recovery Programming

1. Show how Attendance is one of the most important considerations for our school to increase Academic Achievement

1. How increased attendance will improve academic performance, ADA and overall school climate

Did you know that missing 10% or more of school which is roughly 18 days a year or two day per month is considered chronic absenteeism?

This also includes excused and unexcused absences including suspensions

**What percentage of YES  
Students do you believe are  
chronically absent?**

**10%**

**35%**

**50%**

Well if you said 35%  
you are correct!!

70 students have 8+ absences for an/all reason since the start of school \*\*Powerschool data

What do we think is the #1 cause of low Academic Achievement?

**Chronic Absenteeism!**

PRIMARY cause of LOW ACADEMIC  
ACHIEVEMENT &  
the leading predictor of H.S. Drop out!

\*\*California Department of Education, Attendance Works, CSBA\*\*

# What programs has YES already implemented?

ELOP, Tutoring, Attendance Recovery, SPARRK assemblies

**Attendance Recovery** is an structured educational opportunity that can happen July 1st April 15th

We currently use one hour after school for homework and structured educational time

YES can have longer educational instruction on Friday early out days, holidays or interim time during the year and summer time.

Compliance requirement says we must have one credentialed staff per 20 students, educational lessons, and/or tutoring and paperwork showing all requirements and sample lesson plans with pulled samples from students for audits

**ELOP** - After school program and summer programming that includes structured educational time and unstructured free time

**ELOP** has compliance measures with staff ratios but doesn't require credentialed staff.

**Short term independent study** - created for medical or mental health consecutive absences and best to work with teacher to make up work.

Packets are used in conjunction with make up work here at YES Elementary -packets upper grades make up work

**Home School "Long Term Independent Study"**- we are currently implementing

# What more can we do?

We can follow the advice from the experts. CDE/CSBA/CharterSafe

The CDE guides us to develop best practices through our Policy & Procedures

What are some best practices?

- Review our current Policy and Procedures that address chronic absenteeism
- Create a Student Attendance Review Team
- Follow the SARB manual criteria
- Integrate Restorative Justice Practices in/out of the classroom
- Implement more Student Success Team meetings with Attendance contracts
- Provide attendance incentives and implement strategies to encourage attendance ( these are provided by experts and the CDE)
- Utilize Attendance Works programming available free online to promote attendance
- Provide resource, referrals and non punitive measure and practices
- Implement more Attendance Recovery opportunities!!

# What is needed to begin more programming?

Conduct a needs assessment to determine capacity

Allow for program management and coordination

Create the Attendance team and meet consistently

Train staff on necessary components, steps and compliance requirements

Create programming for the entire year ahead of time with regular evaluation

# The Bottom Line when it comes to ADA

- ADA is generated directly through attendance and any attendance recovery programming
- ADA can only be recouped if auditor findings say we are in compliance with all requirements
- Chronic Absenteeism directly determines ADA; and ultimately academic achievement which directly impacts our test scores and school ratings on the CA Dashboard

## Did I meet my goals?

Did you learn something new on what YES is currently doing and what we could be doing?

Did you now believe that Attendance is one of the most important considerations for our school?

Do you believe that implement these practices will improve academic performance, ADA and overall school climate?

I appreciate the opportunity and welcome any questions or comments you may have

Invoice # Project

- YES Social Media

Description Total price

Create YES Charter social media reels for Instagram and Facebook using materials received from Margaret (clip length 10-30 seconds).

Implement captions and music.

\$100 per reel

Also discussed with Margaret and Jessica: I would be open to the possibility of an instructional day/s with interested YES students on how to capture this social media content themselves. Under Margaret's supervision and mine, YES students could eventually be responsible for capturing materials during class themselves (and perhaps at some point, editing too). With the presence of social media nowadays, I believe this could be a great way to foster student learning in the media arts, as well as to help them share their school pride in a meaningful and relatable way.

## Policy 5141.4: Child Abuse Prevention And Reporting

Status: DRAFT

Original Adopted Date: | Last Revised Date: ~~06/09/01/2021~~2025 | Last Reviewed Date: ~~06/09/01/2021~~2025

CSBA NOTE: The following optional policy may be revised to reflect district practice.

Pursuant to Education Code 44691, as amended by AB 1913 (Ch. 814, Statutes of 2024), the California Department of Education (CDE) is required to develop and disseminate information to all districts regarding the prevention, detection, and reporting of child abuse, including sexual abuse of children on district property, by district staff, or in district-sponsored programs. Education Code 44691 also requires CDE to provide guidance on the responsibilities of mandated reporters. See CDE's website for information and resources.

SchoolSafety.gov is an interagency website created by the U.S. Department of Homeland Security, U.S. Department of Education, U.S. Department of Justice, and U.S. Department of Health and Human Services to provide districts with actionable recommendations to create safe and supportive learning environments for students, including information about how to prevent, identify, and respond to child exploitation.

The Governing (**Council of Directors**) is committed to supporting the safety and well-being of district (**YES Charter Academy**) students and desires to facilitate the prevention of and response to child abuse and neglect. The Superintendent or designee shall develop and implement strategies for preventing, recognizing, and promptly reporting known or suspected child abuse and neglect.

The Superintendent or designee may provide a student who is a victim of abuse with school-based mental health services or other support services and/or may refer the student to resources available within the community as needed.

### Child Abuse Prevention

(**YES Charter Academy**) instructional program may provide age-appropriate and culturally sensitive child abuse prevention curriculum which explains students' right to live free of abuse, includes instruction in the skills and techniques needed to identify unsafe situations and react appropriately and promptly, informs students of available support resources, and teaches students how to obtain help and disclose incidents of abuse.

Superintendent of Public Instruction to consider addressing these issues in the next revision of the state health education content standards and curriculum framework.

CSBA NOTE: Education Code 51900.6 authorizes districts to provide age-appropriate instruction in sexual abuse and sexual assault awareness and prevention in grades kindergarten-12, provided that students are allowed to be excused from such instruction upon the written request of their parents/guardians.

Pursuant to Education Code 33546.2, as added by AB 2932 (Ch. 118, Statutes of 2024), the Instructional Quality Commission is required to consider incorporating into the health curriculum framework, content on sextortion, which means a threat to use sexual or intimate images or videos, however obtained, to compel another person to produce sexual or intimate images or videos, engage in sexual acts, or provide anything of value.

The district's program also may include age-appropriate ~~curriculum~~ instruction in sexual abuse and sexual assault awareness and prevention. Upon written request of a student's parent/guardian, the student shall be excused from taking such instruction. (Education Code 51900.6)

CSBA NOTE: Pursuant to Education Code 33133.5, posters notifying students of the appropriate telephone number to call to report child abuse or neglect are available on the California Department of Education's web site CDE's website in five languages. Education Code 33133.5 encourages districts to post the appropriate ~~version or versions~~ version(s) of the poster in an area of the school where students frequently congregate.

The Superintendent or designee may display posters, in areas on campus where students frequently congregate, notifying students of the appropriate telephone number to call to report child abuse or neglect. (Education Code 33133.5)

CSBA NOTE: The following paragraph is for use by districts that serve students in grades 7-12. Education Code 215.5 requires districts that issue or reissue student identification cards to have the telephone number of the National Domestic Violence Hotline (1-800-799-7233) and other specified information printed on either side of student identification cards. For additional information required to be printed on student identification cards, see BP 5142 – Safety.

In addition, student identification cards for students in grades 7-12 shall include the National Domestic Violence Hotline telephone number. (Education Code 215.5)

The Superintendent or designee shall, to the extent feasible, seek to incorporate community resources into the district's child abuse prevention programs and may use these resources to provide parents/guardians with instruction in parenting skills and child abuse prevention.

## Child Abuse Reporting

CSBA NOTE: The Child Abuse and Neglect Reporting Act (Penal Code 11164-11174.3) identifies persons who are mandated to report known or suspected child abuse or neglect and establishes procedures for filing a report; see the accompanying administrative regulation.

The Superintendent or designee shall establish procedures for the identification and reporting of known and suspected child abuse and neglect in accordance with law.

Procedures for reporting child abuse, as specified in Penal Code 11164-11174.3, shall be included in the district and/or school comprehensive safety plan. (Education Code 32282)

CSBA NOTE: Education Code 44252 requires that teachers applying to the Commission on Teacher Credentialing for a new credential or a renewal of their credential read and sign a statement that they understand the duties imposed on them as mandated reporters pursuant to Penal Code 11164-11174.3.

District employees who are mandated reporters, as defined by law and administrative regulation, are obligated to report all known or suspected incidents of child abuse and neglect.

CSBA NOTE: Education Code 44691 and Penal Code 11165.7 require districts to annually train their employees regarding the duties of mandated reporters; see the accompanying administrative regulation. However, pursuant to Penal Code 11165.7, a lack of training does not excuse any mandated reporter from the duty to report suspected child abuse and neglect.

The Superintendent or designee shall provide training regarding the duties of mandated reporters as required by law and as specified in the accompanying administrative regulation. (Education Code 44691; Penal Code 11165.7)

### Definitions

*Child abuse or neglect* includes the following: (Penal Code 11165.5, 11165.6)

CSBA NOTE: The following optional administrative regulation may be revised to reflect district practice.

Pursuant to Education Code 44691, as amended by AB 1913 (Ch. 814, Statutes of 2024), the California Department of Education (CDE) is required to develop and disseminate information to all districts regarding the prevention, detection, and reporting of child abuse, including sexual abuse of children on district property, by district staff, or in district-sponsored programs. Education Code 44691 also requires CDE to provide guidance on the responsibilities of mandated reporters. See CDE's website for information and resources.

1. A physical injury or death inflicted by other than accidental means on a child by another person

CSBA NOTE: Pursuant to Penal Code 11165.1, "sexual exploitation" includes conduct involving matter depicting a minor engaged in obscene acts in violation of Penal Code 311.2 which, as amended by AB 1831 (Ch. 926, Statutes of 2024), was expanded to include matter that is digitally altered or generated by the use of artificial intelligence.]

2. Sexual abuse of a child, including sexual assault or sexual exploitation, as defined in Penal Code 11165.1
3. Neglect of a child as defined in Penal Code 11165.2
4. Willful harming or injuring of a child or the endangering of the person or health of a child as defined in Penal Code 11165.3

2. An injury caused by reasonable and necessary force used by a peace officer acting within the course and scope of employment (Penal Code 11165.5, 11165.6)

CSBA NOTE: Education Code 44807 provides that physical control of a student under the conditions specified in item #3 below is not subject to criminal prosecution or penalties.

3. An injury resulting from the exercise by a teacher, vice principal, principal, or other certificated employee of the same degree of physical control over a student that a parent/guardian would be legally privileged to exercise, not exceeding the amount of physical control reasonably necessary to maintain order, protect property, protect the health and safety of students, or maintain proper and appropriate conditions conducive to learning (Education Code 44807)
4. An injury caused by a district employee's use of force that is reasonable and necessary to quell a disturbance threatening physical injury to persons or damage to property, for purposes of self-defense, or to obtain weapons or other dangerous objects within the control of a student (Education Code 49001)
5. Physical pain or discomfort caused by athletic competition or other such recreational activity voluntarily engaged in by a student (Education Code 49001)

Penal Code 11165.7 clarifies that volunteers whose duties require direct contact with and supervision of children are not mandated reporters. However, the law encourages volunteers to obtain training in the identification and reporting of child abuse and neglect and to report known or suspected incidents of child abuse or neglect. For more information about requirements for volunteers, see BP/AR 1240 – Volunteer Assistance.

*Mandated reporters* include, but are not limited to, teachers; instructional aides; teacher's aides or assistants; classified employees; certificated pupil personnel employees; administrative officers or supervisors of child attendance; athletic coaches, administrators, and directors; licensees, administrators, and employees of a licensed child day care facility; Head Start program teachers; district police or security officers; licensed nurses or health care providers; and administrators, presenters, and counselors of a child abuse prevention program. (Penal Code 11165.7)

*Reasonable suspicion* means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing when appropriate on the person's training and experience, to suspect child abuse or neglect. However, reasonable suspicion does not require certainty that child abuse or neglect has occurred nor does it require a specific medical indication of child abuse or neglect. (Penal Code 11166)

## Reportable Offenses

Using the procedures provided below, a mandated reporter shall make a report, the mandated reporter, while acting in a professional capacity or within the scope of employment, has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. (Penal Code 11166)

CSBA NOTE: Penal Code 11166 specifies that a mandated reporter has a duty to report when acting in a professional capacity or within the scope of employment. When a mandated reporter is acting in a private capacity, like other private citizens, making a report is discretionary. Pursuant to Penal Code 801.8, prosecution for the failure of a mandated reporter to report an incident under Penal Code 11166 known or reasonably suspected by the mandated reporter to be sexual assault, may be filed at any time within five years from the date of occurrence of such offense. Additionally, pursuant to Penal Code 801.8, prosecution for the failure of a mandated reporter to report an incident under Penal Code 11166 known or reasonably suspected by the mandated reporter to be child abuse or severe neglect may be filed within one year of the discovery of the offense, but in no case later than four years after the commission of the offense.

Any mandated reporter who has knowledge of or who reasonably suspects that a child is suffering serious emotional damage or is at a substantial risk of suffering serious emotional damage, based on evidence of severe anxiety, depression, withdrawal, or untoward aggressive behavior toward self or others, may make a report to the appropriate agency. (Penal Code 11165.9, 11166.05, 11167)

CSBA NOTE: Pursuant to Penal Code 152.3, it is a misdemeanor, with specified exceptions, for a witness to not report a murder, rape, or lewd or lascivious act as defined in Penal Code 288 where the victim is under age 14 years of age. Persons who fail to report such offenses may be subject to a fine and/or imprisonment.

Any district employee who reasonably believes to have observed the commission of a murder, rape, or lewd or lascivious act by use of force, violence, duress, menace, or fear of immediate and unlawful bodily injury against a victim who is a child under 14 years of age ±4 shall notify a peace officer. (Penal Code 152.3; 288)

The fact that a child is experiencing homelessness or is classified as an unaccompanied minor, as defined in the federal McKinney-Vento Homeless Assistance Act (42 USC 11434a), is not, in and of itself, a sufficient basis for reporting child abuse or neglect. (Penal Code 11165.15)

## Responsibility for Reporting

The reporting duties of mandated reporters are individual and cannot be delegated to another

person. (Penal Code 11166)

When two or more mandated reporters jointly have knowledge of a known or suspected instance of child abuse or neglect, the report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report. (Penal Code 11166)

CSBA NOTE: Penal Code 11166.01 provides that it is a crime, punishable by a fine and/or imprisonment, for a supervisor or administrator to knowingly inhibit or impede a mandated reporter from making a report.

No supervisor or administrator shall impede or inhibit a mandated reporter from making a report. (Penal Code 11166)

Any person not identified as a mandated reporter who has knowledge of or observes a child whom the person knows or reasonably suspects has been a victim of child abuse or neglect may report the known or suspected instance of child abuse or neglect to the appropriate agency. (Penal Code 11166)

## Reporting Procedures

### 1. Initial Telephone Report

CSBA NOTE: Penal Code 11165.9 specifies the agencies that are authorized to receive reports of suspected child abuse and neglect, as detailed in the following paragraph. The agency must accept a report even if it lacks subject matter or geographical jurisdiction to investigate the case; the agency is then responsible for referring the case to an agency with proper jurisdiction.

Immediately or as soon as practicable after knowing or observing suspected child abuse or neglect, a mandated reporter shall make an initial report by telephone to any police department (excluding a school district police/security department), sheriff's department, county probation department if designated by the county to receive such reports, or county welfare department. (Penal Code 11165.9, 11166)

CSBA NOTE: It is recommended that the district's administrative regulation include the name, address, and phone number of the appropriate agencies in its area to whom reports should be made.

Such reports shall be made to the following agency(ies):

C

\_\_\_\_\_

(name of appropriate agency)

\_\_\_\_\_

(address)

\_\_\_\_\_

(phone number)

When the initial telephone report is made, the mandated reporter shall note the name of the

official contacted, the date and time contacted, and any instructions or advice received.

## 2. Written Report

Within 36 hours of knowing or observing the information concerning the incident, the mandated reporter shall prepare and either send, fax, or electronically transmit to the appropriate agency a written follow-up report, which includes a completed California Department of Justice (DOJ) form (BCIA 8572). (Penal Code 11166, 11168)

CSBA NOTE: Pursuant to Penal Code 11168, the California Department of Justice (DOJ) form ~~shall~~ which is available on DOJ's website, is required to be distributed by the police department, sheriff's department, county probation department, or county welfare department, as appropriate. It may also be made available at the district office or school site.

The DOJ form may be obtained from the district office or other appropriate agencies, such as the police department, sheriff's department, or county probation or welfare department.

CSBA NOTE: Penal Code 11167 requires the mandated reporter's name when reporting known or suspected child abuse. However, the reporter's name and the report are confidential and are only disclosed in limited circumstances provided by law.

Reports of suspected child abuse or neglect shall include, if known: (Penal Code 11167)

- a. The name, business address, and telephone number of the person making the report and the capacity that makes the person a mandated reporter
- b. The child's name and address, present location, and, where applicable, school, grade, and class
- c. The names, addresses, and telephone numbers of the child's parents/guardians
- d. The name, address, telephone number, and other relevant personal information about the person(s) who might have abused or neglected the child
- e. The information that gave rise to the reasonable suspicion of child abuse or neglect and the source(s) of that information

The mandated reporter shall make a report even if some of this information is not known or is uncertain to the mandated reporter. (Penal Code 11167)

The mandated reporter may give to an investigator from an agency investigating the case, including a licensing agency, any information relevant to an incident of child abuse or neglect or to a report made for serious emotional damage pursuant to Penal Code 11166.05. (Penal Code 11167)

CSBA NOTE: Item #3 below is optional and may be revised to reflect district practice. Pursuant to Penal Code 11166, ~~school~~ districts may establish internal reporting procedures encouraging employees to notify supervisors and administrators of reports that are made. These internal procedures must not inhibit or impede immediate and direct reporting by employees to appropriate agencies, direct an employee to allow the employee's supervisor to file or process a mandated report under any circumstances, or require any employee to disclose the employee's identity to the employer.

### 3. Internal Reporting

The mandated reporter shall not be required to disclose the mandated reporter's identity to a supervisor, the principal, or the Superintendent or designee. (Penal Code 11166)

However, employees reporting child abuse or neglect to an appropriate agency are encouraged, but not required, to notify the principal as soon as possible after the initial telephone report to the appropriate agency. When so notified, the principal shall inform the Superintendent or designee.

The principal so notified shall provide the mandated reporter with any assistance necessary to ensure that reporting procedures are carried out in accordance with law, Board policy, and administrative regulation. At the mandated reporter's request, the principal may assist in completing and filing the necessary forms.

Reporting the information to an employer, supervisor, principal, school counselor, co-worker, or other person shall not be a substitute for making a mandated report to the appropriate agency. (Penal Code 11166)

## Training

Within the first six weeks of each school year, or within the first six weeks of employment if hired during the school year, the Superintendent or designee shall provide training on mandated reporting requirements to district employees and persons working on their behalf who are mandated reporters. (Education Code 44691; Penal Code 11165.7)

CSBA NOTE: Education Code 44691 requires school districts to use the online training module provided by the California Department of Social Services (CDSS), available on the CDSS ~~web-site~~ [website](#). However, if the online training module is not used, the Superintendent or designee is required to report to CDE regarding the training being used in its place.

The Superintendent or designee shall use the online training module provided by the California Department of Social Services (CDSS). (Education Code 44691)

The training shall include, but not necessarily be limited to, training in identification and reporting of child abuse and neglect. **Additionally**, the training shall include information that failure to report an incident of known or reasonably suspected child abuse or neglect as required by law is a misdemeanor punishable by imprisonment and/or a fine as specified. (Education Code 44691; Penal Code 11165.7)

CSBA NOTE: Pursuant to Education Code 44691, as amended by AB 1913, districts are required to provide annual training the prevention of abuse, including sexual abuse, of children on district property, by district staff, or in district-sponsored programs.

In addition, the Superintendent or designee shall provide annual training the prevention of a abuse, including sexual abuse, children on district property, by district staff, or in district-sponsored programs. (Education Code 44691)

CSBA NOTE: Education Code 44691 requires districts to develop a process by which all persons required to receive training provide proof of receiving the training, such as the use of a sign-in sheet or submission of a certificate of completion. The following paragraph may be revised to reflect district practice.

The Superintendent or designee shall obtain and retain proof of each mandated reporter's completion of the training. (Education Code 44691)

## Victim Interviews by Social Services

CSBA NOTE: Penal Code 11174.3 authorizes a representative from CDSS or another government agency investigating suspected child abuse or neglect to interview a student during school hours, on school grounds, concerning a report of child abuse or neglect that occurred at home or in an out-of-home care facility. However, there is no clear guidance regarding the procedures to be followed if a social worker is accompanied by law enforcement. It is recommended that districts with questions about student interviews during school hours consult CSBA's District and County Office of Education Legal Services or district legal counsel as necessary.

Whenever CDSS or another government agency is investigating suspected child abuse or neglect that occurred within the child's home or out-of-home care facility, the student may be interviewed by an agency representative during school hours, on school premises. The Superintendent or designee shall give the student the choice of being interviewed in private or in the presence of any adult school employee or volunteer aide selected by the student. (Penal Code 11174.3)

A staff member or volunteer aide selected by a child may decline to be present at the interview. If the selected person accepts, the principal or designee shall inform the person of the following requirements prior to the interview: (Penal Code 11174.3)

1. The purpose of the selected person's presence at the interview is to lend support to the child and enable the child to be as comfortable as possible.
2. The selected person shall not participate in the interview.-
3. The selected person shall not discuss the facts or circumstances of the case with the child. The selected person is subject to the confidentiality requirements of the Child Abuse and Neglect Reporting Act, a violation of which is punishable as specified in Penal Code 11167.5.

If a staff member agrees to be present, the interview shall be held at a time during school hours when it does not involve an expense to the school. (Penal Code 11174.3)

## Release of Child to Peace Officer

When a child is released to a peace officer and taken into custody as a victim of suspected child abuse or neglect, the Superintendent or designee and/or principal shall not notify the parent/guardian, but rather shall provide the peace officer with the address and telephone number of the child's parent/guardian. (Education Code 48906)

## Parent/Guardian Complaints

CSBA NOTE: Education Code 48987 requires the district, upon request, to disseminate guidelines adopted by CDE advising parents/guardians of procedures for filing child abuse complaints. Such sample guidelines are available on CDE's web site.

Claims against the district for childhood sexual assault are governed by the timelines and procedures specified in Code of Civil Procedure 340.1; see AR 3320 - Claims and Actions Against the District.

Upon request, the Superintendent or designee shall provide parents/guardians with procedures for reporting suspected child abuse occurring ~~at a school site~~ on district property to appropriate agencies. For parents/guardians whose primary language is not English, such procedures shall be in their primary language and, when communicating orally regarding those guidelines and/or procedures, an interpreter shall be provided.

To file a complaint against a district employee or other person suspected of child abuse or neglect at ~~a school site~~ on district property, parents/guardians may file a report by telephone, in person, or in writing with any appropriate agency identified above under "Reporting Procedures." If a parent/guardian makes a complaint about an employee to any other employee, the employee receiving the information shall notify the parent/guardian of procedures for filing a complaint with the appropriate agency. The employee shall also file a report when obligated to do so pursuant to Penal Code 11166 using the procedures described above for mandated reporters. In addition, if the child is enrolled in special education, a separate complaint may be filed with the California Department of Education pursuant to 5 CCR 3200-3205.

## Notifications

The Superintendent or designee shall provide to all new employees who are mandated reporters a statement that informs them of their status as mandated reporters, their reporting obligations under Penal Code 11166, and their confidentiality rights under Penal Code 11167. Additionally, the district ~~also~~ shall provide these new employees with a copy of Penal Code 11165.7, 11166, and 11167. (Penal Code 11165.7, 11166.5)

Before beginning employment, any person who will be a mandated reporter by virtue of the person's position shall sign a statement indicating knowledge of the reporting obligations under Penal Code 11166 and compliance with such provisions. The signed statement shall be retained by the Superintendent or designee. (Penal Code 11166.5)

Employees who work with dependent adults shall be notified of legal responsibilities and reporting procedures pursuant to Welfare and Institutions Code 15630-15637.

CSBA NOTE: The remainder of this section is optional and should be deleted by districts that do not provide these additional notifications.

The Superintendent or designee also shall notify all employees that:

1.    A mandated reporter who reports a known or suspected instance of child abuse or neglect

shall not be held civilly or criminally liable for making a report and this immunity shall apply even if the mandated reporter acquired the knowledge or reasonable suspicion of child abuse or neglect outside of the mandated reporter's professional capacity or outside the scope of employment. ([Penal Code 11172](#))

        Any other person making a report shall not incur civil or criminal liability unless it can be proven that the person knowingly made a false report or made a report with reckless disregard of the truth or falsity of the report. (Penal Code 11172)

2. If a mandated reporter fails to timely report an incident of known or reasonably suspected child abuse or neglect, the mandated reporter may be guilty of a crime punishable by a fine and/or imprisonment. (Penal Code 11166)

No employee shall be subject to any sanction by the district for making a report unless it can be shown that the employee knowingly made a false report or made a report with reckless disregard of the truth or falsity of the report. (Penal Code 11166, 11172)

# OUTREACH COMMITTEE MEETING MINUTES

Date: January 16, 2026, at 1:30 pm to 3 pm

Committee Chair: Deborah Hoerner

Members Attending: Jessica Koplos, Margaret Campbell, Allison Leininger, Michele Goldberg

Guests: Pam Cook

## ***TOPICS DISCUSSED:***

### Social Media Campaign to Increase Enrollment

1. Facebook, Messenger, Instagram, You Tube and TikTok can be used to increase high school enrollment. Engaging students and families on Social Media was agreed upon to also maintain enrollment. Michele updated the current spreadsheet of media press outlets.
2. There needs to be a Webmaster. The Back End and Front End need to be addressed. Responses on social media need to be responded to by someone having a good understanding of YES school culture.

### Fundraising Calendar

1. It was decided to create an 18-month calendar to be released at YES when Earth Day is celebrated in April, probably on the 25<sup>th</sup>. This will give more time for quotations to be matched with pictures on the Calendar. It was also suggested that the name Yuba Environmental Science Charter Academy be spelled out in full on the front cover on a picture of the Fox mural or other YES mascot picture.

### Roadmap Meeting Topics

1. It was agreed that Sports Facilities/Athletic Department is the item that most closely fits with the Outreach Committee. Lack of sports programs may lead to losing students and certainly deters students from enrolling. Among the many possibilities for sports that were discussed are: Table Tennis, Fencing, Archery and Frisbee Golf.

***DELEGATED TASKS:***

1. Jessica and Margaret will work on a proposal to the COD to hire someone to go through media already on file before posting on social media.
2. Allison will revise the calendar to an 18-month calendar and work with the Outreach Committee to select quotations to match pictures.
3. Jessica will determine if high school students can also work on Social Media projects such as testimonials.
4. Margaret will work with Nick on being able to utilize You Tube.

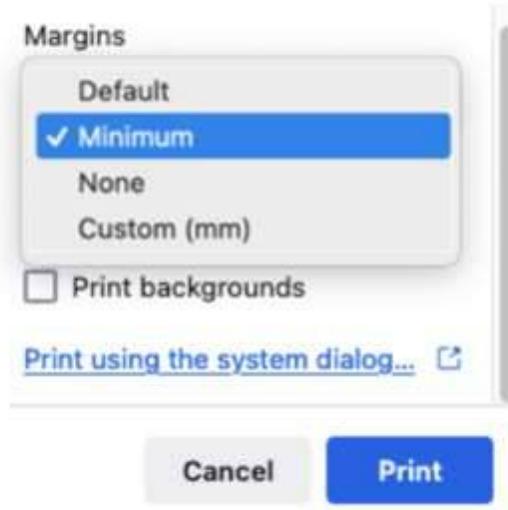

***RECOMMENDATIONS TO THE COD:***

To use social media to encourage student and family participation in YES as well as to foster a positive culture inside and outside of YES.

***ACTION ITEMS:***

2024–25 School Accountability Report Card

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.

- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

## Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students taking and completing state-administered assessments Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard**

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

## YES Charter Academy ATTENDANCE RECOVERY POLICY

### 1 Purpose

The purpose of this Attendance Recovery Policy is to provide students with an opportunity to recover lost instructional time due to absences. This program ensures students remain on track academically while enabling the school to recover instructional minutes for apportionment purposes, in accordance with Education Code § 4621.1.

### 2 Eligibility

Students are eligible to participate in attendance recovery for excused and unexcused absences, including chronic absenteeism. Students participating in long term independent study or non-classroom-based instruction are not eligible to participate in attendance recovery.

Participation in attendance recovery is optional and will not be required of any student. However, failure to remediate chronic absenteeism, including via participation in voluntary attendance recovery sessions, may result in consequences for chronic absenteeism pursuant to the YES Charter Academy Attendance Policy. These consequences may include, but are not limited to truancy letters and/or mandated reporting to the Department of Health and Human Service.

### Recovery Sessions

- Sessions must be voluntary and held outside of the student's regular instructional day (e. g., during the summer, during school breaks and Intercessions (Holiday Breaks), before and/or after school during the regular school year, and on the weekend during the regular school year (ie., Saturday school)) with at least one opportunity provided per term.
- A single attendance recovery session will not exceed five (5) hours in duration. Attendance recovery that takes place before or after school during the regular school year will typically not exceed one (1) hour in duration with the exception of Friday early out days.
- Instructional content during recovery must consist of educational activities and content aligned to grade level standards that are substantially equivalent to the student's regular instructional program, which may include one-on-one, small group tutoring, homework help and online learning activities.
- Students may make up to 10 days' worth of attendance in a school year, or the number of days they were absent, whichever is less.
  - Attendance recovery sessions will be offered throughout the school year, and at least once per term. Sessions will be In-person on campus. Attendance recovery cannot be completed via Independent Study.

### 3 Documentation:

To receive apportionment credit under Education Code Section 4621.1 m.

- Attendance must be documented with a daily sign-in sheet, including student name, date, time-in and time-out, and staff signature.
- The documentation must demonstrate the student-to-certificated teacher ratio.
- A record of the absence being recovered must be maintained.
- Participation records will be retained for audit purposes in compliance with California

---

Department of Education (CDE) requirements.

- Attendance recovery participation will be tracked and reported separately from regular school day attendance— The supervising teacher of an attendance recovery classroom documents each students' participation hourly or full-day increments.
- A student may accrue time over multiple sessions on multiple days of participation in attendance recovery. For example, a student may need to participate in several 1 -2-hour attendance recovery sessions to earn attendance credit that is the equivalent of one full day of school attendance.

Minimum Instructional minutes that count for one (1 full day of attendance are as follows:

- **Tk/K 1 80 minutes**
  - **Grades 1 -3 (230 minutes)**
  - **Grades 4-1 2 ( 240 minutes)**
- For students with disabilities, an alternative minimum day requirement may be established by their IEP,

#### 4 Limitations

- A student may not recover more time than was originally lost due to excused absences.
- Attendance recovery cannot be used to supplant regularly scheduled instruction.
- No fees shall be charged to students participating in recovery sessions.

#### 5 Staffing and Supervision

Recovery sessions must be supervised by certificated staff members qualified to provide instruction or academic support. A student-to-certificated teacher ratio of 10 to 1 for transitional kindergarten and kindergarten or 20 to 1 for grades 1 to 12, inclusive, shall not be exceeded.

#### 6 Program Monitoring

The Principal or designated administrator such as a program manager is responsible for

- Coordinating session schedules
- Identifying eligible students
- Ensuring compliance with attendance and instructional guidelines

#### 7 Review and Updates

This policy shall be reviewed annually and updated to reflect changes in law regulation or as YES Charter Academy needs.
