**INSTRUCTIONS FOR PRESENTATIONS TO
THE COUNCIL BY PARENTS AND CITIZENS**

The Yuba Environmental Science Charter Academy (“YES Charter Academy”) welcomes your participation at the School’s Council meetings. The purpose of a public meeting of the Council of Directors (“Council”) is to conduct the affairs of the School in public. We are pleased that you are in attendance and hope that you will visit these meetings often. Your participation assures us of continuing community interest in our School. To assist you in the ease of speaking/participating in our meetings, the following guidelines are provided:

1. Agendas are available to all audience members at the door to the meeting.
2. Blue “Request to Speak” forms are available to all audience members who wish to speak on any agenda items or under the general category of “Oral Communications.”
3. “Oral Communications” is set aside for members of the audience to raise issues that are not specifically on the agenda. However, due to public meeting laws, the Council can only listen to your issue, not respond or take action. These presentations are limited to three (3) minutes and total time allotted to non-agenda items will not exceed fifteen (15) minutes. The Council may give direction to staff to respond to your concern or you may be offered the option of returning with a citizen-requested item.
4. With regard to items that are on the agenda, you may specify that agenda item on your blue request form and you will be given an opportunity to speak for up to five (5) minutes when the Council discusses that item. In accordance with Title VI of the Civil Rights Act of 1964 and related statutes, this body is committed to ensuring meaningful access to all its programs and activities for people with Limited English Proficiency (LEP). If a member of the public requires a language or any other type of interpreter to provide public comment, they will be allotted twice the standard time to account for the need for interpretation.
5. When addressing the Council, speakers are not required to state their name and/or other self identifying information.
6. Citizens may request that a topic related to school business be placed on a future agenda in accordance with the guidelines in the School’s Council BP. Once such an item is properly agendized and publicly noticed, the Council can respond, interact, and act upon the item.
7. Requests for disability-related modifications or accommodations to participate in this public meeting should be made 24 hours prior to the meeting by calling 530-692-2210 or lmiller@yescharteracademy.org. All efforts will be made for reasonable accommodations. The agenda and public documents can be modified upon request as required by Section 202 of the Americans with Disabilities Act.

DUE TO EMERGENCY CONDITIONS**

Form J-13A

(Revised December 2017)

California Department of Education

School Fiscal Services Division

Website: <https://www.cde.ca.gov/fg/>

Telephone: 916-324-4541

Email: attendanceaccounting@cde.ca.gov

Form J-13A Instructions

Why file:

The Request for Allowance of Attendance Due to Emergency Conditions, Form J-13A is used to obtain approval of attendance and instructional time credit under one or more of the following conditions:

- When one or more schools were closed because of conditions described in *Education Code (EC) Section 41422*.
- When one or more schools were kept open but experienced a material decrease in attendance pursuant to *EC Section 46392* and *California Code of Regulations (CCR)*, Title 5, Section 428.
- When attendance records have been lost or destroyed as described in *EC Section 46391*.

The California Department of Education's (CDE) approval of the J-13A, combined with other attendance records, serve to document the local educational agency's (LEA) compliance with instructional time laws and provide authority to maintain school for less than the required instructional days and minutes without incurring a fiscal penalty to the LEA's Local Control Funding Formula (LCFF) funding.

How to file:

The Form J-13A is available at <https://www.cde.ca.gov/fg/it/j13a.asp>. Also available on the J-13A Web page are FAQs and supplemental pages for sections B and C in Excel format. All affidavits must have original signatures.

Charter schools must file separately from the authorizing school district or county office of education (COE).

The LEA governing board must approve each request by completing Section E, Affidavit of School District, County Office of Education, or Charter School Governing Board Members. Once the majority of the governing board members have approved the request, the LEA should keep a copy of the request and then submit the original to the county superintendent who must approve the request before it can be submitted to the State Superintendent of Public Instruction, CDE. Charter schools must submit the request to their authorizing LEA for approval, who will then forward to the county superintendent for approval.

The following summarizes the J-13A submittal and CDE review process:

- The county superintendent executes the Affidavit of County Superintendent of Schools, certifying the approval.
- The COE should keep a copy of the request and mail the original request to the listed CDE address.
- Once CDE has received the Form J-13A, the request will go through a review process. If the request is approved, CDE will e-mail the approval letter and a copy of the request to all contacts listed on the form. CDE will also mail a hardcopy of the approval letter. If the request is denied, CDE will e-mail the denial letter and a copy of the request to all contacts listed on the form. CDE will also mail a hardcopy of the denial letter.

Where to file:

Mail the entire original Form J-13A to:
School Fiscal Services Division
California Department of Education
1430 N Street, Suite 3800
Sacramento, CA 95814

General Instructions:

- Multiple emergency events and schools may be included on one Form J-13A. Be sure to include specific detailed information and supporting documents for each event and school.
- If the emergency event resulted in a closure and material decrease, complete sections B and C.
- Supplemental pages for sections B and C are available in Excel format for a request that requires more lines than allocated on Form J-13A.
- Attach supporting documentation. Redact any personally identifiable information. Examples of required supporting documentation:
 - Declaration of a State of Emergency
 - News articles
 - E-mails
 - Invoices

Form J-13A Instructions

- A local safety officer letter for any incident involving police activity, threats, cyber threats, etc.
- A county public health officer letter for any incident involving epidemic-type illness. The letter is to specify that the illness was an epidemic or that there was an increase in the number of cases of a disease above what is normally expected of the population in that area.

Applicable” box on the top right corner and proceed to Section D.

If the attendance of an LEA or a school is less than or equal to 90 percent of "normal" attendance for a reasonable time during or after an emergency event, the LEA may assume that a case exists for claiming emergency attendance credit for the "material decrease" of attendance. According to CCR, Title 5, Section 428, “normal” attendance is the average daily attendance (ADA) for the month of either October or May of the same school year. If the emergency occurred between July and September of the current year, the LEA must wait to submit the request until after October ADA of the current year can be calculated. The October or May ADA is used as a proxy for a normal day of attendance for the emergency day. However, if an emergency occurs in October or May, the LEA may request to use a different month as a proxy for a normal day of attendance for the emergency day.

Pursuant to EC Section 46392, the 90 percent threshold may be waived when the Governor has declared a “State of Emergency.” A copy of the Governor’s declaration should be included in the submittal. Any reduction of attendance in a necessary small school (NSS), even if less than 10 percent, may be considered material.

Attendance must be provided at the school site level. Approval of a districtwide material decrease is contingent upon the inclusion of all district sites, and a districtwide percentage of 90 percent or less on each emergency day. For non-districtwide emergencies, each school must meet the 90 percent threshold on each emergency day for approval of attendance credit.

PART III: CLOSURE HISTORY

In this section, provide the closure history for the current and five prior fiscal years for all schools included in the request, regardless if a J-13A request was submitted. For example, if a school had multiple closures in one year, group the closures by fiscal year and nature.

School Name	School Code	Fiscal Year	Closure Dates	Nature	Weather Related Yes/No
School #1	0123456	2016-17	12/5, 2/10	Flooding	Yes
School #1	0123456	2016-17	4/17-4/18	Power Outage	No
School #1	0123456	2015-16	12/15-12/6	Road Closures	Yes

PART I: NATURE OF EMERGENCY

Use this field to describe in detail the nature of the emergency(s) that caused the material decrease in attendance. Provide a detailed explanation for any gap in between emergencies. Request should be accompanied by supporting documents, if applicable.

PART II: MATERIAL DECREASE CALCULATION

The information provided in Parts II and III will be used to determine if the loss of attendance meets the 90 percent threshold for attendance credit approval (except when the governor declares a state of emergency or in the case of a NSS site), and to calculate the estimated attendance credit

SECTION C: MATERIAL DECREASE

This section is used to claim attendance for material decreases pursuant to EC Section 46392. If the request does not include any credits for a material decrease in attendance, select the “Not

Form J-13A Instructions

amount. The fields below correspond to the columns on Form J-13A.

- A. School Name – Enter the school name of each school requesting attendance credit on a separate line. Use the supplemental Excel form at <https://www.cde.ca.gov/it/j13a.asp> if more than 10 lines are needed for this request and select the “Supplemental Page(s) Attached” box on the top right corner.
- B. School Code – Enter the seven-digit school code associated with the school listed in Column A. Use the California School Directory at <https://www.cde.ca.gov/schooldirectory/> to locate the school code
- C. “Normal” Attendance – Provide the ADA for the school month of October or May of the same school year.
A school month is 20 days, or four weeks of five days each, including legal holidays but excluding weekend makeup classes (*EC* Section 37201). The school calendar begins on the first Monday of the week that includes July 1 or the Monday of the first week of school. As a result, school months can be split between September and October; October and November; April and May; May and June. Therefore, the CDE advises LEAs to use the school month that has the most school days in either October or May.
- D. Dates Used for Determining “Normal” Attendance – Enter the date range of the school month used to provide the ADA in Column C.
- E. Date of Emergency – Enter the date of the emergency. **If the emergency lasted for more than one day, use a separate line for each date.**
- F. Actual Attendance – Provide the actual attendance for the school site on the date of emergency listed in Column E.
- G. Qualifier: 90 Percent or Less (F/C) – Calculated field. If the nature of emergency is consistent with *EC* Section 46392, the school may qualify for an attendance

adjustment when the Actual Attendance (Column F) divided by the “Normal” Attendance (Column C) yields a percentage of 90 percent or less. Exclude any emergency day that yields a percentage of more than 90 percent except when the governor declares a state of emergency or in a case of a NSS site.

- H. Net Increase of Apportionment Days (C-F) – Calculated field. The Actual Attendance (Column F) is subtracted from the “Normal” Attendance (Column C) to determine the Net Increase of Apportionment Days (Column H). When attendance on the date of emergency is greater than the “normal” attendance, this field will yield zero and should be removed from the material decrease calculation table.

If the request is approved, CDE’s approval letter will include the total net increase of apportionment days, which may differ from the amount shown. The LEA will then divide this number by the days in the applicable P-1, P-2, or Annual reporting period to determine the ADA increase.

PART III: MATERIAL DECREASE CALCULATION FOR CONTINUATION HIGH SCHOOLS

Continuation education is an hourly program, therefore the attendance must be provided in hours for continuation schools. Three hours equals one apportionment day. The fields below correspond to the columns on Form J-13A.

- A. School Name – Enter the school name of each continuation school requesting attendance credit on a separate line. Use the supplemental Excel file at <https://www.cde.ca.gov/fg/it/j13a.asp> if more than five lines are needed for this request and select the “Supplemental Page(s) Attached” box on the top right corner.
- B. School Code – Enter the seven-digit school code associated with the school listed in Column A. Use the California School Directory at <https://www.cde.ca.gov/schooldirectory/> to locate the school code.

Form J-13A Instructions

- C. "Normal" Attendance Hours – Provide the attendance hours for the continuation school on the same day of the week prior to, or the week following the emergency.

Example: If the emergency day is on a Tuesday, provide the attendance hours on the Tuesday of the week prior to or following the emergency.

- D. Date Used for Determining "Normal" Attendance – Enter the date of the school day used to provide the attendance hours in Column C.
- E. Date of Emergency – Enter the date of the emergency. **If the emergency lasted for more than one day, use a separate line for each date.**
- F. Actual Attendance Hours – Provide the actual attendance hours for the continuation school on the date of emergency.
- G. Qualifier: 90 Percent or Less (F/C) – Calculated field. If the nature of emergency is consistent with *EC* Section 46392, the school may qualify for an attendance adjustment when the Actual Attendance Hours (Column F) divided by the "Normal" Attendance Hours (Column C) yields a percentage of 90 percent or less. Exclude any emergency day that yields a percentage of more than 90 percent except when the governor declares a state of emergency or in a case of a NSS site.
- H. Net Increase of Hours (C-F) – Calculated field. The Actual Attendance Hours (Column F) is subtracted from the "Normal" Attendance Hours (Column C) to determine the Net Increase of Hours (Column H). When attendance on the date of emergency is greater than the "normal" attendance, this field will yield zero and should be removed from the material decrease calculation table.

If the request is approved, the approval letter will include the total net increase of hours for all continuation schools on the form, which may differ from the amount shown. The LEA will then convert the hours to apportionment days and divide this number by the days in the applicable P-1,

P-2, or Annual reporting period to determine the ADA increase.

SECTION D: LOST OR DESTROYED ATTENDANCE RECORDS

If this request does not include any lost or destroyed attendance records, select the "Not Applicable" box on the top right corner and proceed to Section E.

PART I: PERIOD OF REQUEST

Enter the dates of the records that were lost or destroyed.

PART II: CIRCUMSTANCES
